2. Renter hereby expressly acknowledges and binds himself/herself, his/her heirs and assigns to pay Falcon Executive Aviation Inc. for all liabilities incurred including but not limited to:
  - a) Service and time charge computed at the applicable rate as specified in the Renters Agreement for the period of rental, including any costs incurred recovering an aircraft where pilot actions/ inaction prevent normal return of the aircraft to its home base.
  - b) A sum equal to the cost of all damages to the aircraft, or loss of equipment of said aircraft during the rental period as well as any damage to other person's property caused in whole or in part by failure to comply with: the rules and regulations of the Federal Aviation Administration (FAA) specified in the Federal Aviation Regulations, procedures specified by the manufacturer and/ or aircraft manual, the terms of this agreement, or by the negligence of the Renter.
  - c) Payment of all fines, penalties, forfeitures, court costs and any other expenses for parking, landing fees or other legal violations assessed against Falcon Executive Aviation, the aircraft or Renter with respect to the use of the aircraft while on rental to the Renter.
  - d) All Falcon Executive Aviation's costs and other reasonable attorney's fees incurred by Falcon Executive Aviation arising out of, or in any way connected with, the enforcement of the terms or conditions of this agreement.
3. Renter also agrees to comply with the following requirements made to safeguard the aircraft, himself/ herself, and other occupants of the aircraft:
  - a) To observe all rules and regulations of the FAA and all State air regulations, and only conduct operations under Part 91 of the Federal Aviation Regulations.
  - b) To make a thorough preflight inspection of the aircraft and make appropriate checks before take-off ("run-up") as prescribed by the manufacturer and the FAA, and not to take-off unless it is in an airworthy condition for the flight.
  - c) All flights shall be made under Visual Flight Rules (VFR) conditions; unless the Renter is Instrument rated and meets currency requirements, aircraft is properly equipped for Instrument Flight Rules (IFR) flight, and all other requirements of the FAA are met. Operations on unpaved surfaces must be expressly and individually approved by Falcon Executive Aviation management. Smoking in the aircraft is prohibited.
  - d) To exhibit and provide copies of Pilot Certificate/ License, photo ID, Medical Certificate, Logbook, endorsements, proof of currency, and other documentation as required by Falcon Executive Aviation management, to be checked out in the type of aircraft according to Falcon Executive Aviation's policies. All checkouts shall be made at the Renter's expense.

- e) If IFR or VFR cross country, a copy of the flight plan (or other form with such information) shall be filed with Falcon Executive Aviation; this can be done by telephone, fax, or at the front desk (dispatch).
- f) The Pilot-In-Command (PIC) assumes all responsibility for operation of the aircraft, compliance with this agreement and shall not permit anyone else to operate the aircraft, except as provided in this agreement.
- g) Renter acknowledges that he/she is not an agent, servant or employee of Falcon Executive Aviation.
- h) All accidents or incidents must be reported to Falcon Executive Aviation as soon as possible, within eight (8) hours maximum. The Renter shall not in any manner aid or abet any claimant, but shall cooperate with the investigation and defense of any claim or suit.
- i) For rentals of less than a day, Renter agrees to pay for the flight time. For rentals of a day or more, Renter agrees to pay a minimum charge equal to the greater of: three (3) hours per day or the flight time used. A day is defined as an eight (8) hour period, once eight hours is past, a day is extended to each 24 hour period. This period is based on the greater of: time that the Renter signs the plane out for, or the time the Renter has the aircraft. For rentals of two (2) days or more the Renter must have sufficient credit on account, prior to renting, to cover the expense of the minimum charge (three hours per day).
- j) No Renter is allowed to fly outside of the U.S. Continental limits without written permission by an officer or general management of Falcon Executive Aviation.
- k) Falcon Executive Aviation reserves the right to cancel this rental agreement and take possession of the aircraft at any time and place when in its judgment there is deemed to be sufficient cause for such actions and the Renter agrees to bear all expenses incurred in returning the said aircraft back to Falcon Executive Aviation if the aircraft is abandoned as mentioned above, the Renter agrees to notify Falcon Executive Aviation as soon as possible, not later than eight (8) hours after the abandonment.
- l) Renter agrees to pay (a) cleaning fee(s) if trash, stains, odors, etc. are left in the aircraft such that the plane reasonably could not be rented to another customer without cleaning.
- m) The Renter shall be the Pilot in Command, unless a Falcon Executive Aviation employed/ designated flight instructor assumes responsibility. Flight instruction shall only be conducted certificated flight instructors which Falcon Executive Aviation employs/ designates. Safety pilots must comply with all aircraft rental requirements.
- n) Falcon Executive Aviation shall not be liable for loss or damage to any property left, stored, or transported in or upon its aircraft whether before or after the return thereof to Falcon Executive Aviation whether or not said loss or damage is caused by or related to the negligence of Falcon Executive Aviation, its agents or employees. Renter assumes all risks of such loss or damage and waives all claims against Falcon Executive Aviation, its agents and employees by reason thereof and Renter agrees to hold Falcon Executive Aviation, its agents and employees harmless from and to defend and indemnify Falcon Executive Aviation, its agents and employees against all claims based upon or arising out of such loss or damage.
- o) Renter agrees to indemnify and hold harmless Falcon Executive Aviation, its agents, servants, employees, successors and assigns from any and all claims, demands, suits, costs and expenses, including attorneys fees, that may arise in whole or in part by reason of any act or omission of the Renter Pilot related directly or indirectly to the rental or use of the aircraft.

- p) Renter acknowledges that Falcon Executive Aviation strongly recommends that the Renter has in full force and effect non-ownership ("Renter") aircraft liability and/or hull and/or medical insurance coverage, and that hull coverage of at least 75% is required for non-instructional rentals of multi-engine, tailwheel, or turbine aircraft.
- q) Falcon Executive Aviation does require Renter to sign a Power of Attorney to reduce our billing cost. If Renter rents an airplane and fails to pay within five (5) days of the flight, his/her account balance will be charged to the credit card listed on file with Falcon Executive Aviation.
- r) Fuel reimbursement for fuel purchased by Renter will be credited at a rate published at Dispatch, provided original copies of all fuel slips are provided.
- s) Any and all repairs necessary to said aircraft must be approved by Falcon Executive Aviation prior to work being performed in order for Renter to be reimbursed.
- t) Renter agrees to pay a \$25.00 service fee in addition to the face amount of any checks returned by his/her bank for any reason.
- u) Aircraft discrepancies and corrective action: Discrepancies on an aircraft shall be reported to dispatch immediately so that prompt corrective action can be taken. No student or Renter shall attempt to fly an aircraft with a reported discrepancy, nor shall he/ she have an aircraft repaired, without authorization from Falcon Executive Aviation. Only qualified personnel may declare an airplane safe for flight with a known discrepancy. If while in flight a Renter suspects a possible malfunction, he/she shall land as soon as possible and report the problem to Falcon Executive Aviation.
- v) Securing aircraft: Aircraft shall always be properly secured in designated tie-down areas. Doors and windows shall be closed. Controls shall be locked/ secured from movement after each flight (control locks, seat belts, etc.). When remaining overnight at an airport other than Falcon Field, the airplane shall be properly tied down and secured. It is the sole responsibility of the PIC to ensure that the airplane is properly secured.
- w) Disclosure to students regarding short-notice cancelations: no-showing or canceling less than 24 hours prior to an appointment, except for unforeseeable personal needs or weather below school safety policy minimums, may result in billing up to 75% of the instructor's time at the applicable ground instruction rate.
- x) Disclosure to students in Cessna training programs: This training facility is an independent business organization. It is not Cessna's agent, and Cessna is not responsible for the training center's or the training center's employee's representations, negligent acts, failure to act properly, and/or omissions.

## **Covenant Not to Sue, Liability Release, and Assumption Of Risk Agreement**

I, \_\_\_\_\_, hereby affirm that I am aware that flying and activities associated with flying have inherent and unforeseeable risks which may result in serious injury or death. I understand and agree that neither my instructors nor Falcon Executive Aviation, nor any of their respective employees, officers, agents, contractors, or assigns, (hereafter referred to as "Released Parties") may be held liable or responsible in any way for any injury, death, or other damages to me, my family, estate, heirs or assigns that may occur as a result of my participation in flying aircraft, flying in aircraft, flight instruction, aircraft rental, aircraft operations, ramp operations, or any associated activities involved with these activities, (hereafter referred to as Flight Activities), or as a result of the negligence of any party, including the Released Parties, whether passive or active.

In consideration of being allowed to participate in Flight Activities, I hereby personally assume all risks of Flight Activities, whether foreseen or unforeseen, that may befall me while I am participating in these activities. I further release, exempt, and hold harmless the Released Parties from any claim or lawsuit by me, my family, estate, heirs, or assigns, arising out of my participation in Flight Activities including both claims arising during any course of training or after I receive my pilot or instructor certification(s), or other authorization(s).

I also understand that Flight Activities are physically demanding and that I must seek the ongoing care of a licensed and authorized aviation medical examiner and that I will not hold Released Parties responsible for events resulting from my physical condition, limitations, or incapacitation. I further state that I am of lawful age and legally competent to sign this liability release or that I have acquired the written consent of my parent or guardian.

I understand the terms herein are contractual and not merely recital, and that I have signed this document of my own free act and with the knowledge that I hereby waive my legal rights. I further agree if any provision of this Agreement is found to be unenforceable or invalid, that provision may be severed from this agreement; however the remainder of this agreement shall then be construed as though the unenforceable provision had never been contained therein.

I, \_\_\_\_\_ BY THIS INSTRUMENT AGREE TO EXEMPT AND RELEASE MY INSTRUCTORS, FALCON EXECUTIVE AVIATION, AND ALL RELATED ENTITIES AS DEFINED ABOVE FROM ALL LIABILITY OR RESPONSIBILITY WHATSOEVER FOR PERSONAL INJURY, PROPERTY DAMAGE OR WRONGFUL DEATH HOWEVER CAUSED, INCLUDING, BUT NOT LIMITED TO, THE NEGLIGENCE OF THE RELEASED PARTIES, WHETHER PASSIVE OR ACTIVE.

**I HAVE FULLY INFORMED MYSELF OF THE CONTENTS OF THIS LIABILITY RELEASE AND ASSUMPTION OF RISK AGREEMENT BY READING IT BEFORE I SIGNED IT ON BEHALF OF MYSELF AND MY HEIRS.**
